Halloween At Hiwassee

There were many different activities celebrating Halloween at Hiwassee College this year. BSU held pumpkin painting (Top Left) for everyone interested, and the International Relations Club carved jack-o-lanterns to scare away the evil spirits from the Haunted Forest. The Haunted Forest was the home of many characters created from favorite horror movies as well as some other beings created from students' imaginations. The identities of the Four Killers (Top Right) are Ni Crowe with the pick ax, Maen AbuDahab next to Ni, and the ID's of the last two are unknown. Michael Myers a.k.a. Donald Taylor (Center Right), the Scream killer a.k.a. Jason Hodges (Bottom Right), and the killer from the Texas Chain Saw Massacre was

Geoffrey Cole (Center Left). The mad clown (Bottom Right) coming up behind the girl from Poltergeist a.k.a. Jennifer Grimes is unknown. The FFA Tractor Boys - Greg Humphreys and Ben Kirkpatrick — (Opp. page; Bottom Left) provided transportation for the willing victims of the Forest. Halloween celebrations ended with Hiwassee's Halloween Dance. Rebecca Ross (Top Right) hung out with Dayle Guinn at the dance. All of Hiwassee's truly unique students were in attendance (Top Left). Everyone is looking forward to having Halloween at Hiwassee again next year.

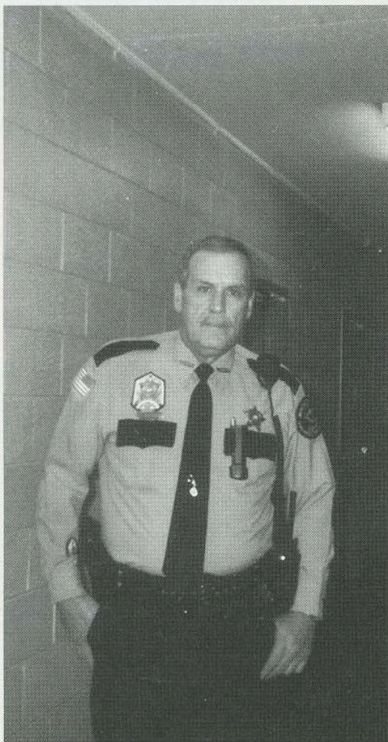

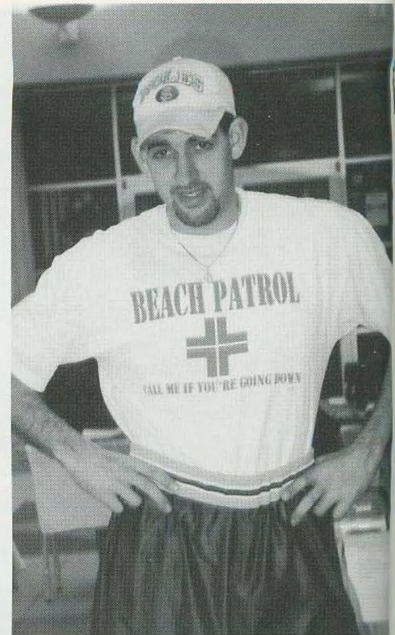

— Fairlena Googe

Hiwassee students are hanging out AFTER HOURS.

There are many different events that happen after regular school hours are over. There is the game room which is composed of pool table, ping pong tables, foos ball tables, and air hockey tables. This room is provided to everyone that belongs to the college by boarding or commuting.

A "friend" here at Hiwassee College means something special. Students come from all over the world to meet new people and have interesting experiences. Many young adults here have a wide range of personalities. Personalities range from quiet and shy to outgoing and bubbly. Hiwassee has a warm and friendly atmosphere to all who come and visit or who decide to stay. Students have had some of their most memorable experiences here, not only with other students, but with teachers who care about the Hiwassee learning experience.

Visitation Men's and Women's

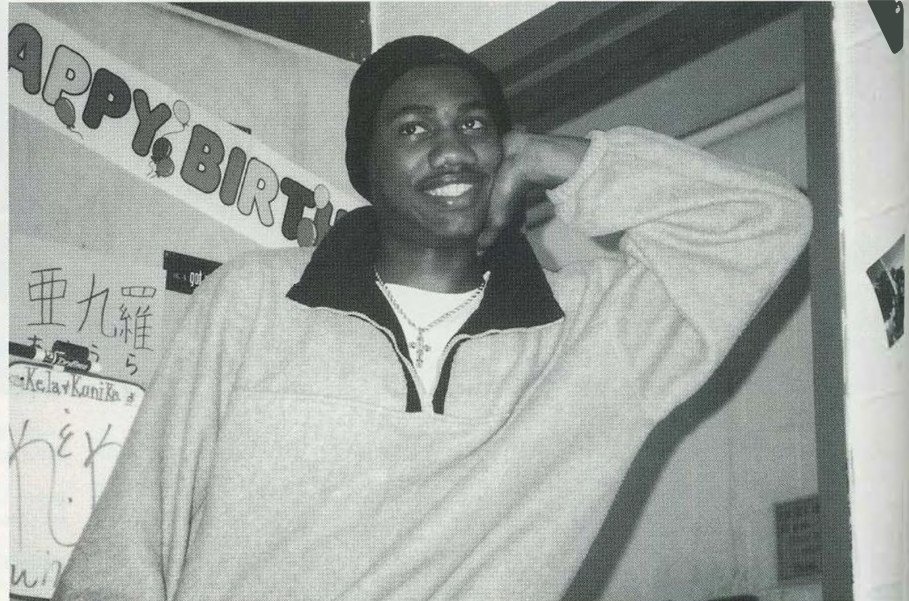

This is an extra curricular event that is held two times a week for the guys' and the girls' dorms. Visitation is when guys can go visit the girls in their rooms and the girls can go visit the guys in their rooms. There are certain hours that this event can occur. Tuesday and Saturday are the two days that they can have visitation. The hours are from 7:30 p.m. to 10:30 p.m. Wednesday and Saturday are

the days that the guys can have visitation. The hours for them are from 7:30 p.m. to 11:30 p.m. Saturday is the big day. The guys and the girls go to each other's rooms between 7:30 p.m. and 12 p.m.

Bottom Right: Cassie Love takes a break to enjoy the snow.

Dorm Bible Study

Bible study in the dorms is composed of students that stay on campus. Most of the meetings are held in Allison Hall. Even though it is a girls dorm where the meetings are being

held, guys are allowed to come. The meetings are held in the lobby. The meetings are usually held for one hour once a week. At the meetings there is a lot of group participation. There is

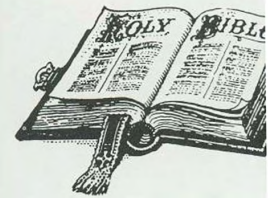

time for games and time for discussing the scripture. Overall everyone in the group gets along well and can become better friends.

Mrs. Ann Miller A Dedicated Teacher

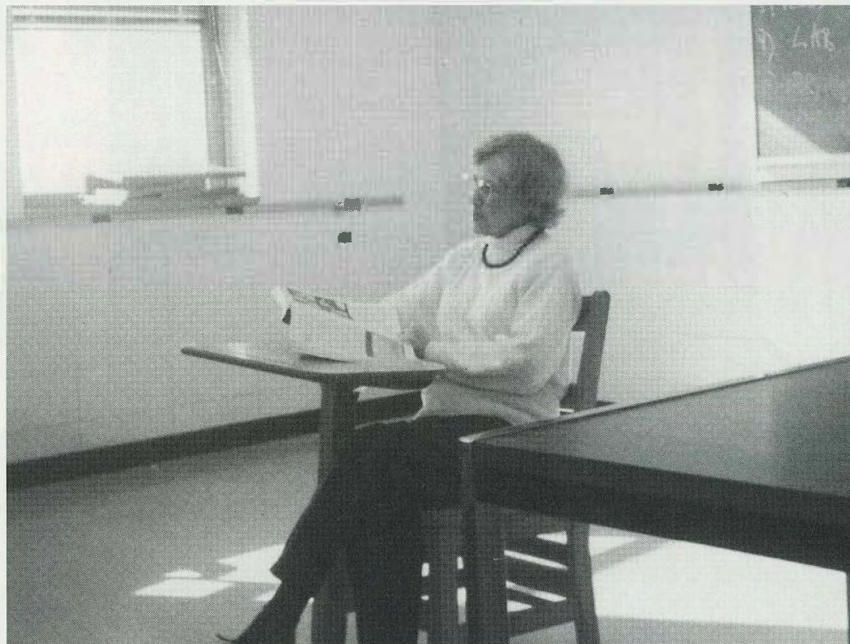

Mrs. Ann Miller has been at Hiwassee for twenty years. She worked eleven years at Madisonville High School as a guidance counselor and English and reading teacher. She came to Hiwassee as a part-time counselor and psychology teacher. Mrs. Miller is originally from Clench Point, Virginia. Her husband taught her at a school there in 1959. Mrs. Miller was

also a student of Hiwassee College. She now lives off campus and her children practically grew up here. Her plans after she retires are to take care of her 82-year-old mother, travel, and to pursue other interests.

Mrs. Ellen Dash A Dedicated Counselor

Mrs. Ellen Dash started working for Hiwassee College in 1991. She has been working as a counselor for grades seventh through college. She really loves all of the students here at Hiwassee. As a child Mrs. Dash watched her father graduate from Hiwassee when she was only four years old. She is orig-

inally from Madisonville, Tn. Although she will be leaving at the end of this week, she will still remain active on the alumni board of governors and close to college life. She and her husband, Jim Dash, are both involved in the Madisonville Kiwanis Club and the Boys' and Girls' Clubs where she plans to volunteer her time. She would also like to do more work in the school system, get more involved with her church, and spend more time with her family.

The International Relations Club

The International Relations Club had a wide variety of students this year. Students hailed from Costa Rica, Russia, Jordan, Japan, Kuwait, and even the United States. Any student can join the International Club. The International Club is sponsored by Bill Holdman, and this year's unofficial club president was Jose Alfaro. Participants of the International Club's activities didn't have to be members. All that was required was

the desire to learn about other cultures.

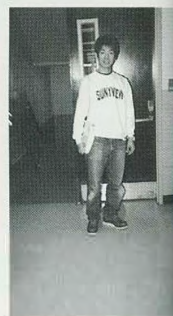

Some of the activities the International Club sponsored and participated in include: the 1998 International Coffee House, rock climbing, led communion at a local Methodist church, had a Halloween pumpkin carving, and club members shared music and food from their countries. Petita treated club members to a five-star meal of dishes from Peru.

Below: Dr. Jim Schiavoni works on the design of his web page under construction by the HTML Club.

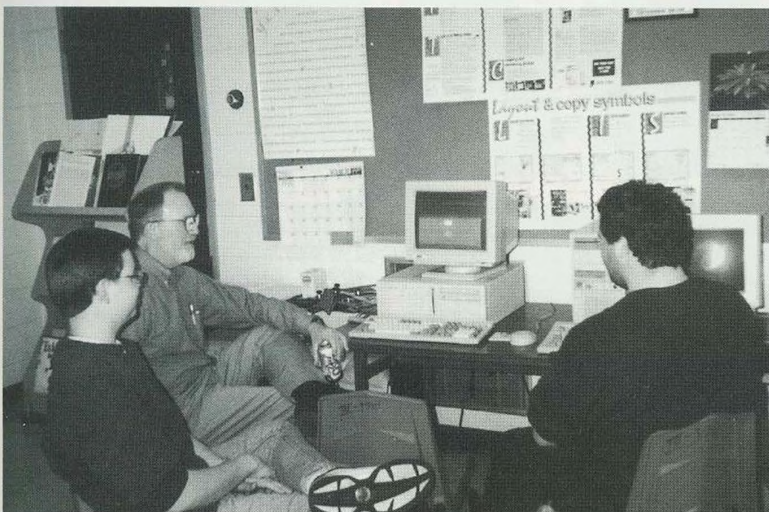

Hiwassee's 1998-99 HTML Club

The HTML Club was organized to help students interested in Web Page design to learn more about it. HTML is short for the simple programming language Hypertext Markup Language that web pages are made of. This year the club learned about HTML and web page design, met with representatives of Concepts in Communication, Inc., redesigned the HTML club web page, and celebrated our first semester of web page design at the Christmas party as well as

beginning work on a web page for Dr. Schiavoni.

This year's members were Fairlena Googe, President; Jennifer Grimes, Vice President; Cory Mills, Sec. & Treasurer; Hugh David Googe; Kat Lofton; Jason Campbell; Dezir'ee Elliott; Robert Morgan; Dr. Jim Schiavoni; and David Ward.

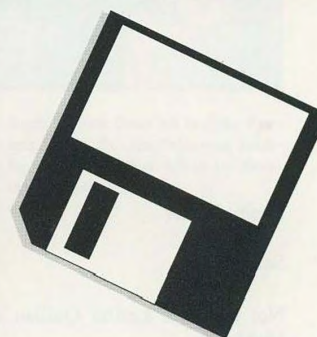

Our Advisor was Mr. Paul Barker. Visit the HTML Club's Web page at: <http://www.hiwassee.edu/~htm/club/>

Literary Magazine

Hiwassee College's literary magazine is named after a legendary cauldron or cup of the gods in Viking mythology, whose potent liquor bestows poetic genius on mortals. Students, faculty, staff, and alumni can contribute their creative

genius to the magazine to help complete it. The members of the literary magazine for 1998-99 were: Jose Alfaro (Editor); Jennifer Grimes; Fairlena Googe; Jason Campbell; Tiffany Angus; Paul Watson; and James Hester. The Advisor for the

magazine was Dr. Jim Schiavoni. Staff members lay out the text and graphics of the magazine on computer, using desktop publishing programs, and take the files disk to the printer. The final product is published once a year during the spring

semester. This magazine has had very good success during this year. Hiwassee hopes to continue to have a great success for the magazine in the future.

Baptist Student Union

Baptist Student Union is a Christian student led organization in which all denominations are welcome. Our goal is to provide a Christian atmosphere for students, but more importantly to introduce them to Jesus Christ. We also provide Christian activities for them to participate in. The group also works with C.S.M. in a month-

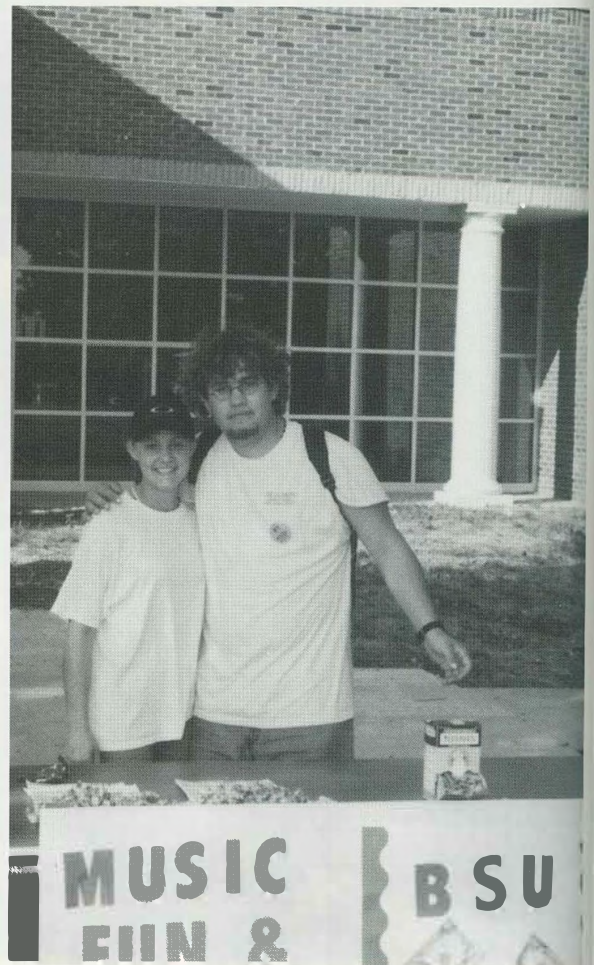

ly activity in order to eliminate conflict. This group gives a great opportunity for Christian fellowship and mission trips.

CSM

Christian Student Movement is a non-denominational club in which any student is a member. Students meet every Wednesday at 8:00 pm and have fun worshipping together. This year CSM had games, prayer time, and student speak-

ers at every meeting. As extra-curricular activities outside of meetings, CSM sponsored trips to the movies, pizza, and dramas. All of this was made possible by the club sponsor, Chaplain Ric Wright and president, Jennifer Easter.

PHI THETA KAPPA

Phi Theta Kappa is an honor society which contributes to the college and community through fellowship, scholarship, service, and leadership. To be a member, you must maintain a 3.5 GPA and maintain a 3.2 GPA after induction. PTK sponsored a book drive for the America Reads program, a medic blood drive, and a Halloween and Valentine party for the Monroe County Headstart children. The PTK also sponsored the annual cow patty bingo in April and they made and distributed stress kits to the students during finals week.

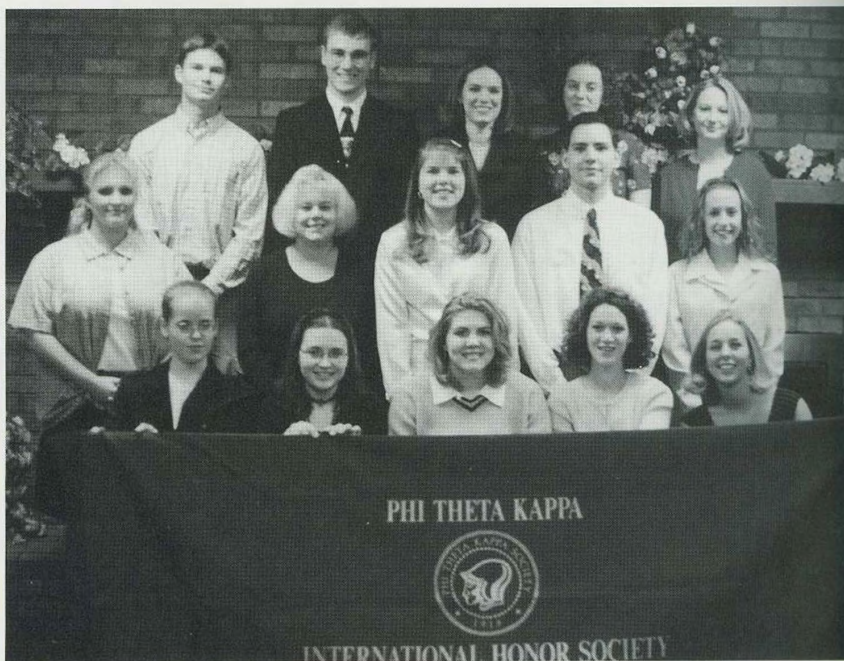

PTK Fall 1998 members were: Jason Campbell, Brandon Graves, Melissa Haun, Jesse Hester, Katherine Lofton, Amanda Robbins-Green, Stephen Saunders, Robert Sitzlar, and Chris Wall.

PTK Spring 1999 members were: Michael Bledsoe, Cynthia Collins, Stephanie Culberson, Sonia Daya, Jamie Downs, Fairlena Gooze, Jennifer Grimes, Eric Hyatt, Quentin McNabb, Sabrina Melton, Heather Morgan, Steven Patton, Rachel Pierson, Shannon Strike, Elizabeth Swafford, Sara Turner, and Misty Wilson.

Sports

Hiwassee Men's Basketball

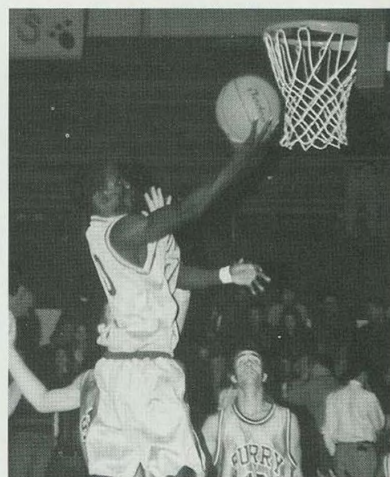

Hiwassee Tigers Men's basketball team finished 24-5 in competition play, and finished 2nd in their conference under first year coach Jeff Walker. Hiwassee had no returning players from last year's team. There was only one sophomore with the rest of the team being freshmen. This means the future looks bright for next year's team. Coach Walker said the best thing about this year was "The opportunity to get to know the players' quality on and off the court."

Academics

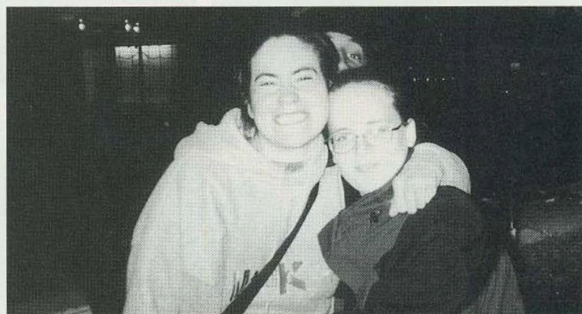

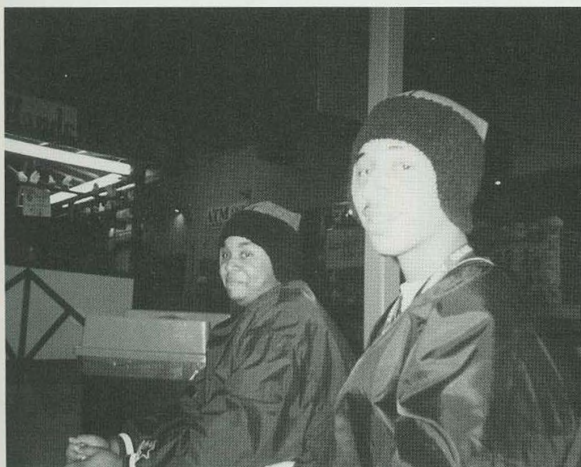

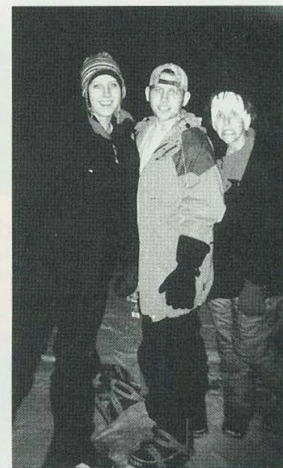

Snow Skiing Riding the Slopes

Snow skiing is a very difficult, dangerous, yet exciting sport. Hiwassee students got the chance to experience this by going an hour and a half away to a ski resort in Gatlinburg, Tn.

Although the snow-skiing course only takes four weeks to complete, Hiwasseans enjoyed every moment of the experience. The excitement left many memories that will last forever

in the students' hearts and minds. These memories include the black-out that left some students stuck on the slopes and in the ski lift. Skiing is a lot of fun.

TIP

The Tokyo Institute of Polytechnics is a two-year school for women. The TIP students come to Hiwassee to study English and secretarial skills as well as leadership and friendship commitment. Many of us on campus have participated in the Big Brothers and Big Sisters program, in which one or two TIP girls are paired up with one American counterpart. Both American and Japanese students grow from their experiences.

Chorale A Singing Sensation

The Hiwassee College Chorale has 20 people who are not all necessarily music majors. The choir is a very important part of Hiwassee as a whole. The choir provides a place for friends to come together. The choir presented two concerts

this year, one in the fall and one this spring as well. Mr. Britt Cooper is the director of the Chorale. He has worked very hard to make our choir sound very good.

Who's Who Among American Junior Colleges

Who's Who Among American Junior Colleges is a national award bestowed upon these eighteen Hiwassee students. Each year the faculty votes on outstanding students to receive national recognition. This exclusive honor is conferred by more than 600 schools in all fifty states and is symbolized by the presentation of an award certificate on Honor's Day. Selections to Who's Who among students in American junior colleges are made each fall and are based on academic scholarship, extracurricular activities, and personal service while attending Hiwassee College. This award for these students — the outstanding campus leaders of the year — marks a pinnacle of scholastic achievement.

Karol Lindsey is a Communications major from Knoxville, TN. Her goals in life are to be happy with her life and her career. She was motivated to come to Hiwassee by the Allison Scholarship, Trey Murphy and Jim McDaniel. She would like to thank Dennis Loy and Adam Abbott for helping her through her first year. She would also like to thank her best friend Dayle Guinn. Without her she couldn't have made it through her second and hardest year. Thanks also goes to the yearbook staff and Ms. Tompkins for allowing me to gripe and gossip and still learn and have fun. To everyone else, Thanks and I love you. Karol's favorite quote is "Stand for something or you'll fall for anything." and "BITE ME!!!!"

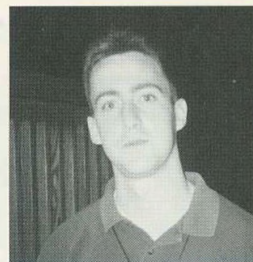

William Greg Humphreys is an Agriculture Business major from Sweetwater, TN. His career goals are to graduate from a four-year institution and to get a good job or be a full time farmer. He was motivated to come to Hiwassee because of the Agriculture program and because of the size of Hiwassee. He would like to thank Lena Beth Carmichael who helped him tremendously. Greg's personal outlook on life is "Anything worth having is worth working for." His favorite quote is "Morals is what you do when no one is looking."

Robert Joseph Koch is a Pre-Engineering major from Madisonville, TN. His career goal is to have a career working with some aspects of computers. He was motivated to come to Hiwassee by some friends who wanted him to play soccer. Hiwassee is close to his family and his father was working out of state so he felt he was needed at home. He would like to thank Mark Britton for being his best friend here at Hiwassee and getting him into PTK and SGA. Deborah Hicks is the one responsible for getting him involved with the music programs. These are the two people most responsible for getting Robert involved and making his time at Hiwassee so much fun. His memorable moments are working with headstart kids, PTK blood drives and tutoring.

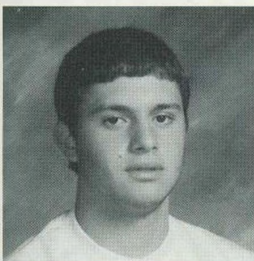

James Hester is a Business Administration major from Englewood, TN. His career goals are to work in some form of public relations and communications. His family motivated him to attend Hiwassee. He would like to thank Barbara Arwood for inspiring him to always do his best and for welcoming him here when he first came. His most memorable moment is when he received his first report card and had made honors. His personal outlook on life is to always be an optimist. James believes that with God's help we can achieve anything that we set our minds to do.

Callie Holt is an Accounting and Finance major from Sweetwater, TN. She came to Hiwassee through the encouragement of her friends and family as well as her church. She hopes to graduate with a Master's degree in Finance and obtain a good job. Callie's most memorable moment was her first softball game as an official Lady Tiger. Callie wishes to thank one of her best friends Rhoda Wright, "It seemed that no matter what time it was or what it was about she was always there for me." She also thanks Clay and Gayle Brown as well as Dr. English "for all you have done for me and all your words of encouragement." Callie's motto is "To live each day to the fullest, just as if it were your last, because we are never promised another one."

Julie Edwards is a Human Services major from Madisonville, TN. Julie was motivated to come to Hiwassee because of the helpful and supportive teachers and staff. She would like to say thanks to Mrs. Wade, Mr. Kirk, Dr. Chapman, Mrs. Miller and Mrs. Daugherty. Most of all she wants to thank Sarah Bell for being a dear friend that she will always cherish. Julie's personal outlook is that no matter what obstacles may come her way, no matter what mistakes she makes, it is important to keep working hard to better herself and at the same time being happy with who she is today. Julie feels that this outlook has kept her going when times got tough, between school and work. Her favorite quote is "If you're going to be a bear, be a grizzly!"

Gabriel Tuk is a Finance major from San Jose Francisco de Dos Rios, San Jose, Costa Rica. Once he achieves his degree, Gabriel wants to interact more with less fortunate people and help them work for a better economic future. He was motivated to attend Hiwassee by the possibility of interacting with different people and to challenge himself. Gabriel would like to thank Mrs. Wade "who really impressed me, with how she cares about students" and also Dr. McCall for his interesting discussions. Gabriel feels that sharing with different people makes you a better person. "College is not just books it is also learning that we are different and we need to learn to understand each other." His personal quote — "Do your best and leave the rest to angels."

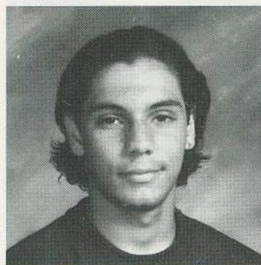

Lee Donovan is from Sweetwater, TN, and majoring in Human Learning. After finishing here at Hiwassee, Lee hopes to obtain a degree in elementary education. She would most like to teach the second grade. She considers Anna Hicks, Ginny Hawk and Geoffrey Cole to be among her best friends at school. One of Lee's most memorable moments here at Hiwassee was the mission trip she went on over spring break her freshman year. Her personal outlook on life is that between God and herself, her life can amount to anything she desires if it is God's will. Lee's favorite quote is "May the mountains constantly remind you how high you can reach, but let the stars be what you strive for."

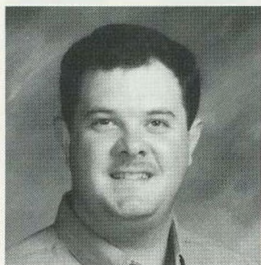

Summer LeAnn Whitehead is a Pre-Occupational Therapy major from Sweetwater, TN. She plans to attend Memphis and obtain a Bachelor of Science degree in Occupational Therapy. The Kefauver scholarship motivated Summer to enroll at Hiwassee. Summer really appreciated all the help and support that her advisor, Dr. Fowler, gave her. He always made time for Summer when she needed help. Her most memorable moment at Hiwassee was being crowned Freshman Princess in 1997. Summer has put a lot of time and effort into her academic career, and she believes that you get what you work for in life. Summer believes that her hard work has paid off.

Rosslyn Frerichs is an Environmental Science major from Tellico Plains, TN. She has high aspirations and hopes to help save our Earth so children will be able to drink clean water and breathe clean air. Rosslyn was motivated to come to Hiwassee because its location was close to home. She would like to thank "Lena Beth for helping me stay grounded" and Chris Maxwell and Adam Abbott for walking her through her hardest subject which was math. Her most memorable moment at Hiwassee was beating UTK in the FFA scrapbook competition. The thought that most stands out in her mind is "Peace be with your soul." No matter who tries to influence you otherwise, follow what makes you happy and you will see God's way for you.

Jose Alfaro is an Engineering major from San Jose, Costa Rica. He hopes to gain engineering skills that will allow his country to more develop. Jose knew that in order to get the skills he needed he would have to leave his country. This became ideal when a mission group from Tennessee offered him the opportunity to come here. Jose would like to thank Dr. Jerry Russell and the McCashin family who were always there to help him. He says that he always tries to have hope. "I don't care how big it seems, we can do it." He feels that if he didn't have a perspective like that, trying to become an engineer and help develop a country would make no sense. Jose's favorite quote — "If your dreams depend on money it is because they are too cheap."

Kelly Jo Jones is a Music Education/Performance major from Maryville, TN. She hopes to someday teach music to others and help make a difference by performing with the musical talents God has given her. She would like to thank "Living Witness" by saying simply "You guys are the best!" Kelly would also like to thank Clay Brown, Ron Hemphill, and Mrs. Hicks for being a true inspiration. One of her most memorable moments was showing her "tiger spirit" in Tom Black and not getting caught. Kelly would like to use her talent of singing to bless the lives of others and to be a good example for those around her. Kelly's motto is "I can do all things through Christ who strengthens me." Philippians 4:13.

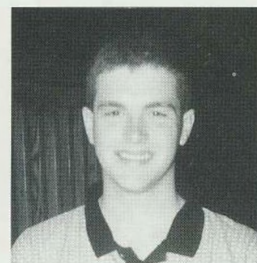

Ray Case is an Agriculture Education and Extension major from Decatur, TN. His goal is to be successful in whatever he does. Ray was motivated to come to Hiwassee by a dear friend, his family and his parents. He feels that his success is due to two people, Tim Bratcher and Andy Burchfield. Ray's most memorable moments were spent watching stars at the falls with his close friends. His outlook on life is "leading a Godly life and being successful at what I do." Ray's favorite quote — "I have two words for you." His final comment: "To every life I have touched, I hope your time at Hiwassee is as memorable as my time here has been."

Jodi Lynn Lefevers is a Music Education major from Clinton, TN. She hopes to someday teach music and possibly take it into the ministry, continuing to sing as much as possible. Jodi was given a great opportunity to attend school here when she received the Kefauver scholarship. She was also attracted to the college's friendly atmosphere and religious nature. She would like to give a special thank you to the Music department, "especially Deborah Hicks." Jodi's most memorable moments at Hiwassee are centered around taking part in Living Witness. She feels that her lifetime and academic goals are the same, saying simply "I live my life for God."

Josh Flynn is a Broadcasting/Music major from Maryville, TN. He intends to pursue a career in musical theatre and/or television news broadcasting with emphasis on being a news anchor. Josh was motivated to attend Hiwassee because of family alumni as well as its size. He would like to thank and give credit to Deborah Hicks. "She has showed me that pursuing my dreams is very possible and easily within my reach." Josh's personal goals include continuing his education and receiving a college diploma. He says "I have so many dreams and expectations of myself. However, with my determination and education, those dreams will soon vanish and become reality."

Benjamin L. Kirkpatrick is from White House, TN, and majoring in Agricultural Business. His main motivation to come to Hiwassee was to get away from home and experience living on his own. While being here he has found Lena Beth Carmicheal to be the most helpful. "She has shown me many interesting things about agriculture and she has also been like a mom when I was sick or needed advice." One of Ben's most memorable moments occurred when he and Greg Humphreys checked cows for the first time. "We snuck up on this calf drinking from the water and it slung mud all over me and Greg; afterwards we still had classes to go to." Ben's favorite quote: "In all that you do in life make friends and have fun."

Sarah Lynn Price is an Elementary Education major from Madisonville, TN. After finishing school, she hopes to become a kindergarten teacher. She was motivated to attend Hiwassee because of all the help she received from Mr. Hemphill and Alice Norton in obtaining scholarships. Sara would like to thank her roommate, Julie, who "helped me with studying and R&R." Her most memorable moment at Hiwassee was going to a PTK meeting near Nashville and nearly breaking her neck attempting Yoga. Sarah's personal outlook on life is to "Change the things you can and accept the things you can't." She also says "Never deprive someone of hope, it may be all they have."

On the old state's southern border,
Reared against the sky,
Proudly stands our Alma Mater as the years go by.
"Onward" ever be our watchword conquer and prevail.
Hail to thee our Alma Mater, Hiwassee - All Hail!

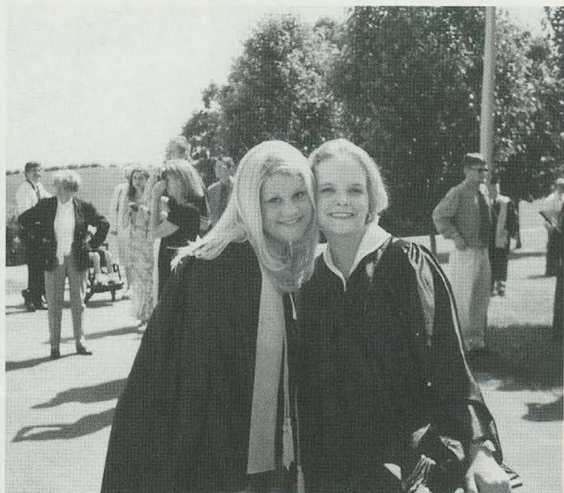

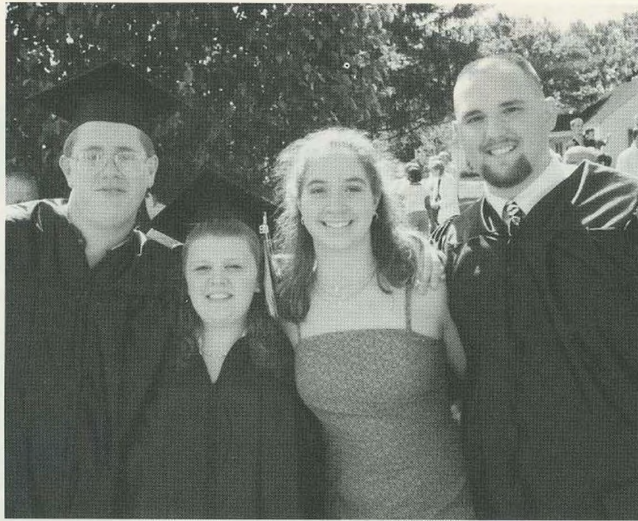

Through the years it's never faltered,
Faith forever strong.
Firmly built on one foundation, loyalties belong.
Onward be our steadfast leader, guide and never fail.
Hail! Our mighty Alma Mater, Hiwassee - All Hail!

Mr. Powers sums up how we all feel about Angela Wright when he talks about his experiences with her. "I first met Angela on a visit to Bradley Central High School. There I found a charming and genuinely nice young lady. I was very pleased that she decided to spend a year at Hiwassee. Angela's attitude towards Theater Hiwassee was one of always wanting to help. She wanted to

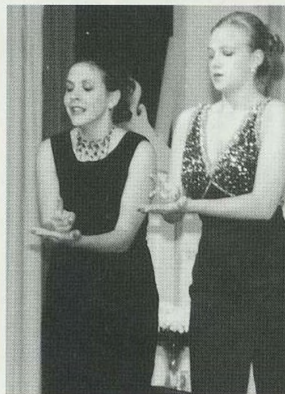

be a real team player. When she auditioned for **YOU CAN'T TAKE IT WITH YOU**, she had a quality that made that character sparkle. I enjoyed working with her. I miss her. Theater Hiwassee dedicated the '98-'99 season to her. Angela was always singing; therefore, a line from Shakespeare is most appropriate: 'And flights of angels sing thee to thy rest.' I wish her much rest."

Below: Lauren and Angela enjoy hanging out after play practice.

"I just want you to know who I am . . ." — GooGoo Dolls

My two years at Hiwassee have been the most rewarding and fun time that I have ever had. There are so many things that I want to say to so many people that it would take forever. I decided to take a little chunk of forever and shrink it down to this page. Here it goes: DAYLE: You are my best friend. You have been there for everything and more. You have given me hope that not all Farragut people are snobs. You have taught me to respect Oak Grove Rd. You have taught me how to meet someone offline. You have made me laugh and cry and for all of this I love you. AMANDA: You are the best!! You have taught me so much about life and how it can go as easily as it comes. You have come so far in just these few months that we have been here and I know that you will go much further in the future. I love you and wish you the best of luck in the future. WENDY: My Wendy Rae! I will miss you the most. You have this way of always bringing sunshine into my day no matter how bad it has been. You were there for me to talk to at any time. It may have taken a while to get there but we did. That is all that matters. You have such incredible talent and an air about you that just pulls people in. You will one day be on Broadway and on your opening night I will be in the front row with

bunches of flowers to throw at you at the end of the play! I love you!! JENNIFER: We finally made it! We worked together on almost everything this year and we made the most out of everything. I never thought that we would finish this book but we did. I never thought that we would make it up Farner Mountain but we did. I never thought that we would graduate but we did. We have done almost everything together and I will miss that. Good luck in all you do and one day I know that Mr. Right will come along. I love you! ANNA: My project. It looks like you have finally come out of your shell. I am so proud of you. I was there for many of your firsts . . . lighting a match among other things. I will miss laughing with you after an "Anna moment". You will be just fine in the future, keep your head on straight and watch out for you and you will go far. I love you! GEOFFREY: You are such a great friend to me. You would always wrestle with me and you always were just there to listen at the same time. You helped me with my stalker and I appreciate that so much!!! You will be the person that I remember Copper Basin for. Thanks for everything I love you! HUGH: We may have had some rough times but we both made it through and still remained FRIENDS! I know that you will

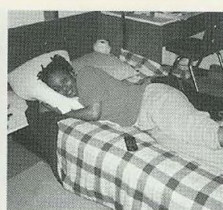

do well in the future; just keep on opening up to people. Don't be afraid of new people and things and you will do even better. Take chances on people you might be pleasantly surprised. Hang in there and one day your day to shine will come, I promise. Mr. KIRK: Despite all the notes and rumors, you are a great person and a better friend. Thanks for the memories, pictures and the laughs. I will miss you. Mrs. DAUGHERTY: Thanks for having the heart to talk to me without reservation. I appreciate that so much. You are a wonderful teacher that challenges us to think. Thank you!! To everyone else thanks for everything. I will never forget all of you and I wish all of you the best of luck in the future.

I love you!!

Looking back over the past two years, I see that the best part of my life took place at Hiwassee. Here I shared laughter, tears, heartache, stress, excitement, and a renewed spirituality with all my friends. These friends don't only include students but faculty also. I loved every moment that I spent with each and truly experienced learning not only about school subjects but about myself through being in contact and friends with new and interesting people. I would like to thank each and every one of you for making my two years at Hiwassee the most exciting and memorable time ever.

Robbie S: Thank you for teaching me how to love and how to let go. I hope you find everything you want in life and whatever would make you happy. Always remember the good times we shared together. Love Ya!

Ben: Thank you for listening and showing me that there are still good guys left in the world. Good luck!

Geoffrey: Thank you for making me feel better when I thought I couldn't. Best wishes!

Karol: Thank you for listening to my sad stories and being there when I needed you. I hope our friendship will last forever.

Anna: Thank you for teaching me to take life as it comes and to remain clueless.

Wendy, Amanda, & Dayle: Thank you for showing me that good friends will always be there.

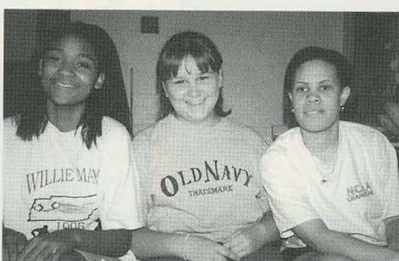

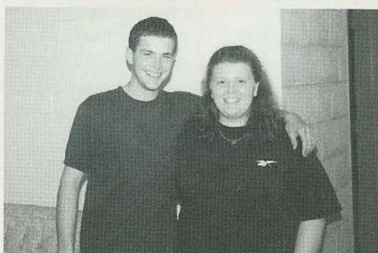

Tasha & Rachel: Thank you for caring about me. I will remember you both always.

Allison girls: Thank you for allowing me to have a peaceful two years.

Faculty & staff: Thank you for making me focus on what was most important in my life: my education. I appreciate the time and effort. I will miss all of you.

Anyone I might have missed: Thanks for allowing me to be myself and your friend. Good luck in the future!
